

Radio Clubs

Below is a list of Amateur radio clubs within 20 miles of the College of San Mateo. Check at ARRL website at: <http://www.arrl.org/find-a-club> for a list centered on your home. Please check out the clubs in your area and find out about the personality of the clubs near you. Don't be in a hurry to join, but find out if the club shares your interests. Clubs are always a good place to meet the local Hams and get help with radios and operating procedures.
